

PARKING/DROP OFF AND PICK UP

Drop off and Pick up Safely!

If you drop off or pick up on Seventh or Eighth Streets, please do NOT turn down Pine or Wadsworth Streets to exit the area. This causes congestion at the corners. Please continue down one block before turning.

It would also be a big help to our Safety Patrol squad if you would motion them to cross streets if you plan to wait.

Currently, city officials & police officers have observed the following unsafe acts by our families.

1. Cars not yielding to pedestrians;
2. Cars blocking/parking on cross-walks;
3. Cars pull away from curb without using blinkers or yielding to traffic;
4. Cars not coming to a complete stop at the corners;
5. Cars occupying multiple lanes at stop sign approaches, creating blind spots for pedestrians;
6. Cars stopping in the middle of the street, blocking traffic and encouraging students to enter vehicles in the middle of the street;
7. Children running across the street instead of crossing at the corners;
8. Children entering/exiting on traffic side of vehicle;
9. Cars backing up while dropping off/ picking up students;
10. Cars being left unattended on school site while walking to pick up/drop of students. (All parents, except toddler parents in the designated toddler parking area, are asked to park in our parking lot or in other locations across or away from the school if choosing to walk.

Thank You for helping keep everyone safe during our busy drop off and pick up times!

Young Peoples Theater buses should park on Wadsworth and students will enter through the doors on Pine Street. Students will not be permitted to walk through the building to Lars Hockstad Auditorium.
