

R20 SONG LIST

1. All performers on this list must sign up for at least one rehearsal per week beginning April 11th – May 23rd.
2. All performers must turn in their arrangements of brass and strings (for the Jazz band) by **April 7th**. (songs that are ***starred below will need either brass or string arrangements – or both**). Some arrangements can be purchased when googling “name of song... horn charts or Big Band Arrangement.” Make sure it’s in the right key and is the same arrangement as your version.
3. Please contact me ASAP (please don’t wait until April 6th) if you are having trouble finding arrangements.
4. All performers must sign a contract and contribute \$35 to participate (this helps defray the cost of compensating guest artist, David Chown).
