

Kindergarten Notice of Enrollment

Annual Kindergarten Enrollment Request

According to Michigan law*, if a child residing in a district is not five years of age on or before September 1, but will turn five years of age not later than December 1, the parent or legal guardian may choose to enroll the child in kindergarten for the current calendar year.

A school district receiving this written notification may make a recommendation to the parent or legal guardian as to whether the child is not ready to enroll in kindergarten due to other factors. Regardless of the district recommendation, the parent or legal guardian retains the sole discretion to determine whether or not to enroll the child if the student is five years of age not later than December 1, of the current calendar year.

Please complete this request form and return to the local school district office with proof of child's date of birth.
